To successfully set up providers with the correct information, **please sign/print legibly**, thank you!

Top Portion of the Claims Status Access Form:

- Please have the **Doctor or Manager** fill out the Office Information and print, sign (*with title*), date, and put their business email address in the top portion.
- Please note, only the **Doctor or Manager** can approve individuals to have online claims status access.
 - They can approve up to two people per form.
 - If more than two people need access to the same Tax ID, then multiple forms would need to be filled out completely (top and bottom portion of each) and submitted for review.
- If the **Doctor or Manager** would like access, they are allowed to approve themselves.
 - However, they must still fill out the top portion, as well as the bottom portion with their information.

Bottom Portion of the Claims Status Access Form:

- Each approved individual (up to two per form) must print, sign, date, and put their business email address in the bottom portion.
 - Please note, each approved individual must have their **own, unique** email address.
 - For example, John Doe could be: JDoe@office.com, JohnD@office.com, john.doe@office.com, etc.
 - We are unable to setup logins for joint, general email addresses.
 - For example, we are unable to setup logins for an email address such as: billing@office.com

Multiple Tax Ids:

- You may request access to multiple Tax IDs. Each Tax ID must be submitted on a separate form.
 - Please note, Tax IDs are nine digits. We are unable to setup providers using NPI numbers, which are ten digits.

Username and Password Maintenance:

- There is no administrative access. ACI reviews and approves all Claims Status Access Forms prior to setting up logins.
- After the form is approved an email is sent to each approved individual containing their username and password.
- If the individual filled out multiple forms (for multiple Tax IDs) please note, their username will be different for each Tax ID but their password will be the same.
- ACI maintains all logins.
 - Please send any website errors and/or login issues to us for review at: ClientAccess@acitpa.com
 - When emailing, please include your Tax ID and if possible, screenshots of the errors/issues.
- Each user is able to change their password once logged in.
- Please do **not** share your login information with anyone. Your login is specific to you. Each person who requests access must have their own login.
